

# FAQs

## How do I choose my Squad?

You can choose a squad of up to 12 players who will get to play in at least 4 fixtures each. All players should either have no handicap or 37 and above. It is preferable that the squad is mixed gender with a minimum of 4 girls.

## How do I know what colour cap my squad has been allocated?

There are 6 coloured branded caps, please ensure you have spoken with your League Manager, so that the correct colour caps and player packs can be sent in plenty of time for your first fixture.

## How do I lay out the course?

- GolfSixes League fixtures are played over 6 short holes. You can decide the length of these holes, but it is advised to be no longer than 150yds and avoid hazards that may be too tricky!
- You can use the plastic tee markers provided in the league box to create temporary tees for your short holes.
- Plan your loop of 6 using the most appropriate holes on your golf course
- You may decide if time allows to play 9 holes with 6 "scoring" holes

## Are there any adapted rules for GolfSixes League fixtures?

Yes, there are a few!

- Air shots do not count, only when contact is made with the ball
- There is a 10 shot maximum on each hole. If a pair gets to 10 shots, they simply pick up the ball and mark that hole on the scorecard as a 10
- If a players ball lands in a bunker and the pair choose to play that ball, they both get 2 attempts to get hit the ball out of the bunker. If they are unsuccessful after 2 shots, they can pick up the ball and throw the ball towards the hole!

## Do all 6 players in my team play together for a fixture?

For each fixture you will choose 6 players out of your squad of 12 (try and rotate the players so each get to play in at least 4 of the 8 fixtures)

You will need to organise your team into 3 pairs. Each of your pairs will play the 6 holes with a pair from another golf club All players are playing against the course not directly against the other pair

Try and make sure that pairs playing with eachother for the fixture are of similar ages/ability

# FAQs

## How does the scoring work?

The scorecard provided gives you a simple point scoring system for each pair. Playing the Texas Scramble format each pair can score between 1-10 points per hole. (Hole in 1= 10 points, 10 shots = 1 point). All 3 pairs are playing together as one team, the points across all 3 pairs and all 6 holes are added together to create a team score at the end of the fixture.

Scores can be entered onto the scorecard or by using the Golf Genius App and the GGID code given to you for the fixture by your League Manager

## How do I work out who won the fixture?

Each team score (made up of the 3 pairs scores) will be collected at the end of the fixture. The team with the most points will be the winning club for that fixture. Depending on how many clubs are in your league, each club will then be allocated points, below is an example for a 4 club league;

- 1st- 4 points
- 2nd- 3 points
- 3rd- 2 points
- 4th- 1 point

After each fixture, the scores are submitted onto Golf Genius. This will automatically create a leaderboard with culminative points across all league fixtures

## What do I need to prepare if I am hosting a fixture?

- Ensure that you have the League Box in plenty of time before the first fixture
- Set up the 6 hole loop on your course
- Have someone to welcome the teams and give a briefing of any local information if required
- Select your squad and arrange the pairings from each club on Golf Genius Genius prior to the fixture. (Your League Manager will provide you with further information if you need assistance in doing this.)
- Provide some refreshments for players (if required)
- Make sure you have scorecards for every pair or a chaperone who will be using the Golf Genius App to keep score (a GGID code will be provided to enable this to happen)

## What do I need to do after a fixture?

- Check all scores are entered into Golf Genius at the end of the fixture.
- Make sure you give the League box to the next hosting club
- Share any great pictures or videos with us on Social Media using #GolfSixesLeague

## Where do I check to see how well my team are doing?

Leaderboards for each league will be available on the Golf Genius portal but also on the GolfSixes League section of the Golf Foundation website
