

Safeguarding Policy

Introduction

The Golf Foundation is fully committed to ensuring that golf provides a safe and positive environment in which children and young people can learn about the sport without fear of abuse in its various forms.

Note: The terms 'child' and 'young person' describe any person under the age of 18. References to 'parents' should be read as parents and carers inclusively.

Our Statement

Our organisation acknowledges the duty of care to safeguard and promote the welfare of children and is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice and The Golf Foundation requirements.

The policy recognises that the welfare and interests of children are paramount in all circumstances. It aims to ensure that regardless of age, ability or disability, gender reassignment, race, religion or belief, sex or sexual orientation, socio-economic background, all children:

- ✓ have a positive and enjoyable experience of sport at a Golf Foundation supported activity in a safe and child centred environment
- ✓ are protected from abuse whilst participating in any activity provided by The Golf Foundation or outside of the activity.

We acknowledge that some children, including disabled children or those from ethnic minority communities, can be particularly vulnerable to abuse and we accept the responsibility to take reasonable and appropriate steps to ensure their welfare.

Our Policy

signs of abuse, neglect and other safeguarding concerns relating to children and young people

- ✓ provide effective management for staff and volunteers through supervision, support, training and quality assurance measures so that all staff and volunteers know about our policies, procedures and behaviour codes and follow them confidently and competently
- ✓ ensure appropriate action is taken in the event of incidents or concerns of abuse and support provided to the individual(s) who raise or disclose the concern
- ✓ ensure that confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored
- ✓ record and store information securely, in line with data protection legislation and guidance
- ✓ prevent the employment or deployment of unsuitable individuals by recruiting and selecting staff and volunteers safely, ensuring all necessary checks are made
- ✓ appoint a nominated safeguarding lead for children and young people, a deputy and a lead trustee/board member for safeguarding
- ✓ develop and implement an effective online safety policy and related procedures
