

Junior Hub

New award from England Golf and the Golf Foundation for golf clubs who are committed to inspiring their juniors to play, love and thrive in golf

Junior Journey

WE AIM TO:

- Introduce children and young people to golf
- Create positive perceptions of golf and golf clubs
- Provide opportunities to play regularly and develop lifelong skills
- Create fun, inclusive and competitive experiences across the junior journey
- Drive membership and inspire a lifelong love for the game

THROUGH WORKING TOGETHER, AND WITH GOLF CLUBS, WE CAN:

- Support clubs to provide a journey for juniors to start and stay in golf
- Provide guidance to support the long-term development of the junior section through workforce and volunteer development
- Grow the game, encouraging more young people to take that first swing

1. Introduction in Schools and Communities

First go in a familiar environment with friends

2. Club Introduction
Fun in a new environment –
“I like it here”

3. Skills/Game Development
Through FUN coaching or sessions

4. Golf Course Experience
Opportunity to put skills into playing

5. Love the game
Making the golf club their favourite place to be

Through the collaboration, we have developed the Junior Hub award with the goal of identifying and showcasing clubs that are the 'right place' for juniors to try, learn, and love golf. We have jointly created an award for clubs to aspire to achieve, and will support the club in their commitment to growing your junior section.

BENEFITS OF BECOMING A JUNIOR HUB:

- Access to a dedicated member of the England Golf and Golf Foundation teams
- Promote Junior Hub clubs to anyone looking to get their kids into golf
- Assets to promote the club as a Junior Hub
- Provide access to guidance and resources which can support your golf club in building a pathway for juniors to develop
- Connecting with school and community groups who are already delivering golf programmes
- Join a community of clubs who prioritise and develop junior golf, sharing best practice and success stories
